CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT

Board of Trustees Riverside Township

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures and unencumbered cash balances of **Riverside Township, Kansas**, as of and for the year ended December 31, 2012 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1 to meet the financial reporting requirements of the State of Kansas. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the Kansas Municipal Audit and Accounting Guide. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditors' judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditors' consider internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Board of Trustees
Riverside Township**

Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

As described in Note 1 of the financial statement, the financial statement is prepared by **Riverside Township, Kansas**, to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of **Riverside Township, Kansas**, as of **December 31, 2012**, or changes in financial position and cash flows thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the **Riverside Township, Kansas**, as of **December 31, 2012**, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note 1.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, and regulatory basis receipts and expenditures-actual (Regulatory-Required Supplementary Information as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statement as a whole, on the basis of accounting described in Note 1.

**RIVERSIDE TOWNSHIP
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2012**

Note 1 - Summary of Significant Accounting Policies:

Reporting Entity

Riverside Township is a municipal corporation governed by an elected three member Board of Trustees. The regulatory financial statement presents all funds over which the Board of Trustees exercises financial responsibility. Financial responsibility includes appointment of governing body members, designation of management, the ability to significantly influence operations and accountability for fiscal matters.

Basis of Presentation – Fund Accounting

The accounts of the Township are organized on the basis of funds, each of which is considered a separate accounting entity. The Township has created several types of funds and a number of discrete funds within each fund type. Each fund is accounted for by a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, receipts and expenditures. The individual funds account for the governmental resources allocated to them for the purpose of carrying on specific activities in accordance with laws, regulations or other restrictions.

KMAAG Regulatory Basis of Presentation Fund Definitions:

Governmental Funds

Special Purpose Funds-To account for the proceeds of specific tax levies and other specific revenue sources (other than major Capital Projects and tax levies for long-term debt) that are intended for specific a purpose.

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America.

The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The Township has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of accounting principles generally accepted in the United States of America and allowing the municipality to use the regulatory basis of accounting.

**RIVERSIDE TOWNSHIP
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2012**

Budget and Tax Cycle

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), and debt service funds. The statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were no budget amendments for the year ended December 31, 2012.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the modified accrual basis of accounting, modified further by the encumbrance method of accounting. Revenues are recognized when cash is received. Expenditures include disbursements, accounts payable, and encumbrances. Encumbrances are commitments by the Township for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. All unencumbered appropriations (legal budget expenditure authority) lapse at year-end.

A legal operating budget is not required for the Machinery and FEMA special purpose funds.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

Note 2 - Compensated Absences:

All permanent full-time employees are eligible for vacation and/or sick leave benefits in varying annual amounts depending on position and length of service.

It is the policy of the Township to record vacation and sick leave benefits as expenditures when paid.

**RIVERSIDE TOWNSHIP
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2012**

Note 3 - Deposits:

K.S.A. 9-1401 establishes the depositories which may be used by the Township. The statute requires banks eligible to hold the Township's funds have a main or branch bank in the county in which the Township is located and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The Township has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the Township's investment of idle funds to time deposits, open accounts and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The Township has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the Township may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the Township's deposits may be returned to it. State statutes require the Township's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at December 31, 2012.

At December 31, 2012, the Township's carrying amount of deposits was \$190,453 and the bank balance was \$395,124. The bank balance is held by one bank. Of the bank balance, \$250,000 was covered by depository insurance, and the remaining \$145,124 was collateralized with securities held by the pledging financial institution's agent in the Township's name.

Note 4 - Postemployment Benefits:

The Township did not provide any significant postemployment benefits for former employees at December 31, 2012.

Note 5 - Reimbursed Expenses:

The Township records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as revenue to the fund. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements.

Note 6 - Subsequent Events:

The Township has evaluated subsequent events through March 27, 2013, the date which the financial statements were available to be issued.

**RIVERSIDE TOWNSHIP
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2012**

Note 7 - Interfund Transactions:

Operating transfers were as follows:

Transfer from:	Statutory Authority	Transfer to:
		Machinery Fund
Road Fund	K.S.A. 68-141g	\$ 85,000

Note 8 - Defined Benefit Pension Plan:

Plan Description

The Township participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer, defined benefit pension plan as provided by K.S.A. 74-4901, et seq. KPERS provides retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to KPERS (611 S. Kansas Ave, Suite 100, Topeka, KS 66603-3869) or by calling 1-888-275-5737.

Funding Policy

K.S.A. 74-4919 establishes the KPERS member-employee contribution rate at 4% of covered salary. The employer collects and remits member-employees contributions according to the provisions of Section 414(h) of the Internal Revenue Code. State law provides that the employer contribution rate be determined annually based on the results of an annual actuarial valuation. KPERS is funded on an actuarial reserve basis. State law sets a limitation on annual increases in the contribution rates for KPERS employers. The employer rate established by statute was 8.34% for the period January 1, 2012 through December 31, 2012. The Township employer contributions to KPERS for the years ended December 31, 2012, 2011 and 2010, were \$6,951, \$8,454 and \$7,986, equal to the statutory required contribution for the year.

Note 9 - Contingencies:

Grant Programs

The Township participates in various federal and state grant programs. These grant programs are often subject to additional audits by agents of the granting agency, the purpose of which is to ensure compliance with the specific conditions of the grant. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material.

Risk Management

The Township is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Township carries commercial insurance for all risks of loss. Settled claims resulting from these risks have not materially exceeded commercial insurance coverage in any of the past three years.
